APPLICATION for the **RODEN TROPHY**

The *Roden Trophy* is awarded annually to the club that, for its size, develops the soaring skills of the largest number of its pilots. The trophy is presented at the awards dinner of the Association's Annual General Meeting.

For the year

Name of club

Number of regular flying members of club (M)
(must be SAC members)

Number of A, B and C badges presented this year in club (X)

Number of Bronze badges presented this year in club (Z_1)

Now mail this form to the Trophies chairman (address below) who adds the below data from his records and computes the score. (Note that it is to the club's advantage to ensure that club pilots earning badges, etc. are not late in submitting them to the Badge chairman.)

Number of Silver badge legs flown in club (Y_1)

Number national records flown in club (Y_2)

Number of Gold and Diamond legs flown in club (Z_2)

Roden point score $R = 100(X + 2Y_1 + 2Y_2 + 3Z_1 + 3Z_2)/M$
